Office Use Only

Please email the form to carla.jones@bhs.org.uk ensuring that you have completed all sections of this form and attached the relevant competition records.

- **A horse will only be considered for downgrading if it has not gained any points or winnings, in the relevant discipline, in the current calendar year.**
- **BRC retains the right to deny an application for downgrading should they see fit to do so.**
- **You must enclose the official competition record for the horse.**
- **Applications for a specific qualifier must be received 14 days before close of prelim entry. Applications received after the 14 days will still be considered but will not guarantee a decision before close of prelim entry, meaning the horse may not be eligible for the qualifier.
